EPC Groupe joins the CAC Small, CAC Mid & Small, and CAC All-Tradable indices of Euronext Paris

EPC Groupe (Euronext - EXPL) announces that, following the annual review of Euronext Paris indices, the Euronext Scientific Advisory Board decided on September 11, 2025, to include EPC Groupe shares in the CAC Small, CAC Mid & Small, and CAC All-Tradable indices

The inclusion of EPC Groupe stock in these three indices follows Euronext's liquidity analysis of the share based on two main criteria: trading volumes and free-float market capitalization.

This decision will take effect on Friday, September 19, 2025, after market close on Euronext Paris.

*"The inclusion in the CAC Small, CAC Mid & Small, and CAC All-Tradable indices will allow EPC Groupe to further enhance its visibility within the Small & MidCap investment universe. It should also serve as a new driver to increase the liquidity of EPC Groupe's share, which has quadrupled over the past three years to reach an average daily trading volume of €92K since the beginning of 2025," said **Olivier Obst, Chairman & Chief Executive Officer of EPC Groupe.***

2025 Half-Year Results, on September 29, 2025, after Euronext Paris market close

EPC Groupe (Euronext - EXPL) is one of the world leaders in the manufacturing, storage, and distribution of explosives. For 130 years, the Groupe has been leveraging its expertise, technical skills, and technological innovations to provide solutions that generate performance and value for its clients in the mining, quarrying, infrastructure, and underground works sectors.

EPC Groupe is also one of the leading companies in France in demolition and construction waste recycling, with a presence across the entire country. It is involved in numerous renovation projects in the fields of cultural heritage, housing, and industry, and is also a recognized player in the circular economy.

With revenue of more than €550 million in 2024, EPC Groupe employs over 2,900 people across its 44 subsidiaries in more than 29 countries.
